

Can you help us?

Leeds Involvement Project and Leeds University...

...are doing a project about healthcare in Leeds.

We want to hear the views of disabled people from ethnic minorities.

We want to improve services in the future but we need people to help us. If you are interested, then we would like to meet you. We want to hear about your experiences of health care in Leeds. You can talk to us in a group or on your own.

Anything you say will be confidential.
We will pay you something for your time and expenses.
